

Our BotStore is currently free to use.  
You can use the BotStore to create any number of bots and test it within the platform.  
We only start charging you if you're using the bot on a commercial basis.  
This would get activated when you export the bot out of our store!

## Free

Unlimited bots  
Unlimited API calls  
Bot Store only

## Pro

\$0,0025/API  
Integrate your bot into:  
Facebook  
Slack  
Your website

## Custom

Have a unique  
requirement?
